Loot Lar’korwi’s Head. == OPTIONAL CIRCUIT == This circuit includes all the quests of Thorium Point and Searing Gorge, which I decided to make optional for the following reasons : Searing Gorge and Thorium Point quest objectives appear to be heavily camped since patch v2.3. I’m not sure if this is a temporary phenomenon, but the entire circuit wasn’t doable for me because of too many people trying to do the same quests at the same time (for 3 consecutive days). Ride north/northwest to Fungal Rock (63,16). When you are done with both [55] A Plague Upon Thee and [57] Defenders of Darrowshire, go to the Quel’ithien Lodge (51,22). Get the following items from your bank: Umi’s Mechanical Yeti Tinkee’s Letter Encased Corrupt Ooze Glyphed Oaken Branch Ride out of the Undercity and take the zeppelin to Orgrimmar. You can, of course, follow this guide while duoning, grouping, it’s not a problem, it works too. Get the follow up [56]Falling to Corruption. Stay away from the alliance npcs as much as possible and get the two quests from the tauren named Loh’atu: [47] A Land Filled with Hatred [47] Spiritual Unrest The quests will be marked as low level and you won’t see an exclamation mark, take them anyway. You’ll soon enter a room with several pairs of taskmasters and slavers. End of XP Circuit: == Note== Could have been better, I had to wait 10 minutes for Ringo to respawn because someone else started the escort just as I arrived. You should be level 59 by now or close. Search your inventory for Draco-Incarinatrix 900 and put it on a hotkey. Sadly I recorded this XP rate with a level 60 character, so some of the quests didn’t give as much XP as they should have. Clear the ravasaur around it, then step up on the egg pile, a Lar’korwi mate should appear and attack you, kill her and loot the Ravasaur Pheromone Gland (75% drop rate). Turn in [45]A Grim Discovery. Wait for him to come down, you can’t kill him when he’s on top, he has 3 guards with him there. 12. Turn in [56]Betrayed, get the follow up. Go east to Timbermaw Post (40,44). In Bloodvenom Post go to Winna Hazzard, then right-click the Corrupted Saber and choose to release it. Anyway, make sure you got all your cooldowns ready for this fight. Drink the Videre Elixir, you’ll die, but don’t worry, no durability loss from this, it’s normal. In Felwood jump down to your right after you exit the tunnel. There’s more of them just a bit further to the northeast 2. This way you have a platform to jump into the guide and to catch up experience wise without grinding. I went to Outland at 58, finished the first 3 quests for the nice upgrades, then went back to Plaguelyands and I’m quite glad I did. Get out of the barn and look around for a Wandering Skeleton, there is only one of this kind and he roams around the barn, so keep killing stuff around the barn until you find it, kill it and loot “Dalson Outhouse Key”. Ride back to the Bulwark, turn in the quest [53]Scarlet Diversions, get the two follow up [53] The Scourge Cauldrons and [56] All Along the Watchtowers. Keep killing around this camp until you complete [60] Secret Communication, Twilight Geolords, [55] Deadly Desert Venom and [55] Securing the Supply Lines. At (59,35) mount up and ride southeast to Grimeslit Dig site and find a little wooden house at (65,62) behind the dig site, which actually looks like some public toilet. In Orgrimmar go to the Valley of Spirits and find Uthel’nay (check your minimap for a yellow question mark), turn in [47]The Gordunni Orb.
